WINS!

ABOVE LEFT: "Star Wars" R2-D2, and an Imperial Stormtrooper pose for the Junior's production of "Spirit Wars". RIGHT: Freshmen's James (Bond) Bomb. BELOW: Dazzling introduction for the Senior's Senior Cinema.

This Year's Hall Decorations were judged on relationship to the theme "Fishermen's Fabulous Flicks", continuity, originality, creativity, and the use of space. SENIOR CINEMA placed first. Second place was awarded to the Freshmen, with the theme of "Welcome to the World of James Bond". Third went to the Sophomores for their variety of coming attractions. Last, but not least, the Juniors pulled through with a hall that advertised various movies. The overall spirit and hard work shown throughout this event was only the beginning of the participation and spirit of Homecoming 1977.

Thursday night, the traditional noise parade commenced around the Post Office, gathering each class in a noisy, competitive rally. ABOVE: The participating juniors travel to the noise parade.

BOTTOM RIGHT: The junior class loads their float into the truck.

ABOVE: Tim Hilton, Left, commentates the senior skit which presented the three senior princesses Kay Jensen, Karen Cruzan, and Jani Law with banners labeled Poise, Unity and Pride. Other "Grammy" awards were given to football quarterback Kyle Johnson and Rally Queen Debi Nelson. Each of the other classes acted out a 5-minute skit to present their princesses. The short plays were all based on the Homecoming theme "Fisherman Fabulous Flicks". The senior class won this event with the above mentioned skit.

His class went on to establish an upset victory in this year's games.

The girls "anchored" second place in their division, but suffered a heart-breaking loss at the District Tourney. Other recognition went to Cyndy Miller, First team all-league spiker; Jani Law, First team all-league setter; and Eeva Vedenoja, Second team all-league spiker. Congratulations to all for a fine season!

J.V.'S BREAK EVEN IN '77

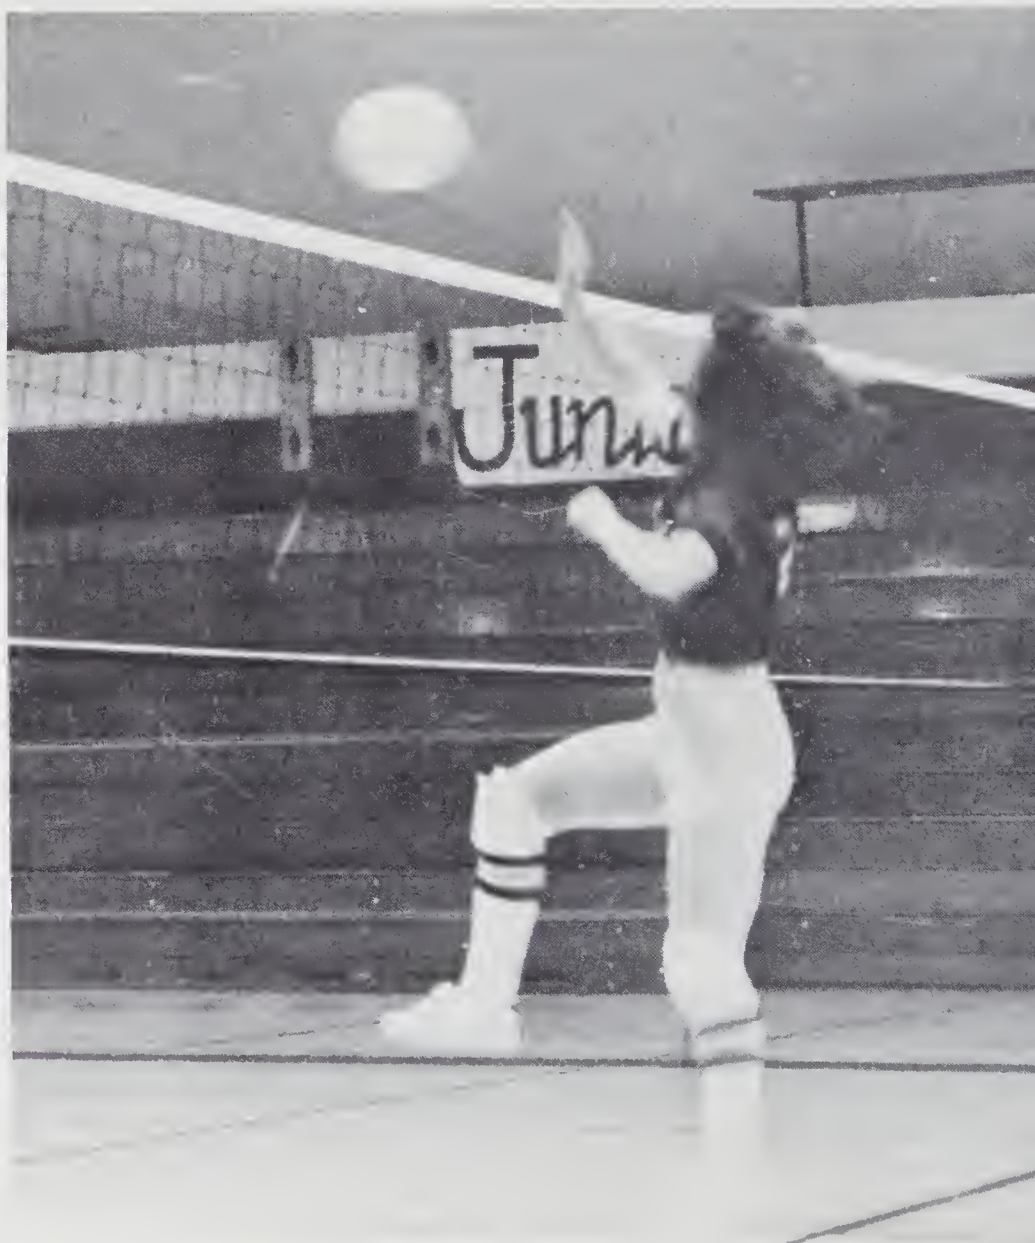

VOLLEYBALL

This year's JV team came on strong, improving each game as the season went along. With their towering talent, fans can look forward to an equally forceful Varsity team next year. Coach Judy Angberg expressed her enjoyment in coaching this group of determined players. They gave her a lot of super effort and desire to win, and each individual learned to play together as a team with respect to one another.

Pictured ABOVE are the 1977 Junior Varsity Team and Coach: Front Row: Spiker Cathy Angberg, Spiker Kelly Mahnke, and Setter Laurie Coursey. Second Row: Spiker Beth (Betty) McRae, Spiker Shaunna Poteet, Coach Judy Angberg, Spiker Rae Benton, and the Captain, Setter Debbie Nichols. RIGHT: Of Coursey, Laurie displays some of the aggressive techniques used by the JV members throughout the whole year.

RECORD 5-5

FRESHMEN VOLLEYBALL

This Year's Freshmen team had an up and down season but played well against tough competition throughout the league. With more experience, this team could develop into one of the League's top contenders in the coming years. Coach Elliott comments on having a fairly good season. She said that each player had a lot of fun and at the same time they worked their hardest.

The Fisherettes finished in 6th place at Districts, and Terri Hicks and Shawn Schmelzer placed 9th and 10th as All-League runners. BEST RECORD SINCE '72

Coach Parrish reflects his views on the season, "Although this team didn't realize it's full potential it never stopped trying. The improvement over the season was continuous to the point of being title contenders. The members of our football team learned more than how to win football games, they learned how to win in the game of life."

JUNIOR VARSITY GRIDDERS SHOW

HARD WORK PAYS OFF

The JV footballers, under the fine leadership of coaches Earl Craven and Al "J" Olson, had a very impressive season. This was a team made up mostly of sophomores, a class who had not been known for their winning ways on the gridiron. They showed this '77 year that they are Winners, and there are high hopes for all these fine players as they go on to play Varsity ball. Pictured ABOVE are the mighty JV football squad decked out in their away-game jerseys:

Front Row: Alan Cabantan, Joe Plaskett, Steve Mayfield, Scott McGregor, Ted Franco, Kirk Spangle, and Mike Shannon. Middle Row: George Chavez, Mike Donovan, Ed Betts, Keith Jue, Ron Leinassar, Don McGuire, and Billy Jones. TEACHING

LEARNING BY TEACHING OTHERS

DON'T DRINK

This year's fall drama production, *Don't Drink The Water*, by Woody Allen, was a huge success. Many hard hours were spent rehearsing and designing the set for the play. Mrs. Becky Connolly, director of the two-act comedy, was a great help to the fourteen member cast production.

SERVICE CLUB RECREATES

During all the home ball games, Service Club did an outstanding job exerting many hours of hard work in selling refreshments. Their profit goes into a project for the school. This year's goal is a new popcorn machine for home games. The reward for all this intense effort is a trip to Portland where ice skating, shopping, dinner, and a show is well deserved for a fun-lasting day. Pictured RIGHT: Before an exciting Fishermen Basketball game, Service Club member Linc Jordan helps serve Miles and Brook Brenden.

MAKES 42ND TRIP TO STATE

ASTORIA'S BASKETBALL TEAM

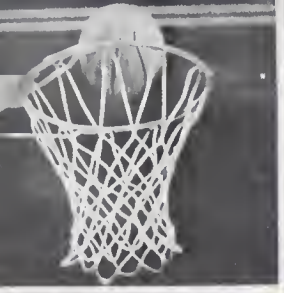

The 77-78 squad had a super year. They compiled an awesome 12-4 league record*, which earned them 2nd place in the CVL and a berth in the State Play-offs. The great finish proved that hard work and dedication pays off. Although they were eliminated in the first two games of State, Coach Deeder was proud that the team made it there and nobody can take that away from them. Senior Pat O'Brien justly earned a spot on the CVL 1st team. O'Brien was also the Gordon Scott Memorial Award winner. Senior Robbie Sproul was 2nd team CVL and Senior Mike Kaufman was on the CVL Honorable mention squad. Sproul and Senior Robert Selven shared the "Most Inspirational" honors.

JUNIOR VARSITY OUTQUICKS FOES EN ROUTE TO CVL CHAMPIONSHIP

Quickness and hustle were two words which told the story behind this year's successful 16-4 junior varsity season. Not blessed with great size, the team used its great quickness and talent to run right by taller teams. They were really exciting to watch. Great cooperation by all team members and excellent coaching by Mr. Goin combined to make it an excellent season, one which will be an asset to these players as they go on to play varsity ball.

ABOVE: Alec Josephson practices his renowned jumper in his varsity jersey, which he wore part of the year and into the state tournament.

RIGHT: Jack Marincovich puts in an easy hoop as Mac's Randy Shockey, a player who was a real problem for Astoria, looks on helplessly.

The Girl's Varsity team was very successful this year. They won many games including their win over Knappa which has long been a rival. The overpowering Fisherettes included: Front Row: Kam Johnson, Leslie Thompson, Greta Thompson, Kathy Corkill and Sheryl Babbitt. Second Row: Coach Parrish, Debbie Patterson, Cyndy Miller, Eeva Vedenoja, Anita-Rahkola, Lynn Thompson and Beth McRae.

SWADOOSH!

NOBODY DOES

IT BETTER!

The Fisherettes proved that they could hold their own against the toughest of rivals in the 77-78 season. For the first time in AHS history, the girl's basketball team made their way to the district play-offs, and captured 2nd after a 29-32 upset to the highly-ranked Dallas Dragons. LEFT: Eeva Vedenoja jumps against a St. Helens member, as both teams look on, ready to move in. BELOW LEFT: Coach Parrish gives a pep talk, getting everyone psyched up during the St. Helens game. The offense consisted of 3 guards and 2 posts with a man-to-man defense at the other end. They didn't win many games, but they put out all effort and hard work, not to mention spirit, teamwork, and sportsmanship.

LADIES AND GENTLEMEN, THE PEPSTERS!

Once again, the anxiously awaited girls in purple and gold entertained their enthralled audiences with their super-high kicks and numerous dances. An occasional comedy routine provided for a change of pace and exhibited their multi-talents. The Pepsters work diligently throughout the year in order to please the spectators, promote spirit, and most importantly, to give full support to all the Varsity athletes. They keep the teams happy and enthusiastic by decorating locker rooms, sending care packages on long trips, making posters, and creating pep assemblies. The Christmas Social, which is an annual Pepster event was a success as usual, and just one of the many fun things these girls do together during the year for celebration and entertainment.

WHAT KIND OF SPIRIT ARE WE TALKING ABOUT?

THAT FISHERMEN SPIRIT KNOCKS US OUT!

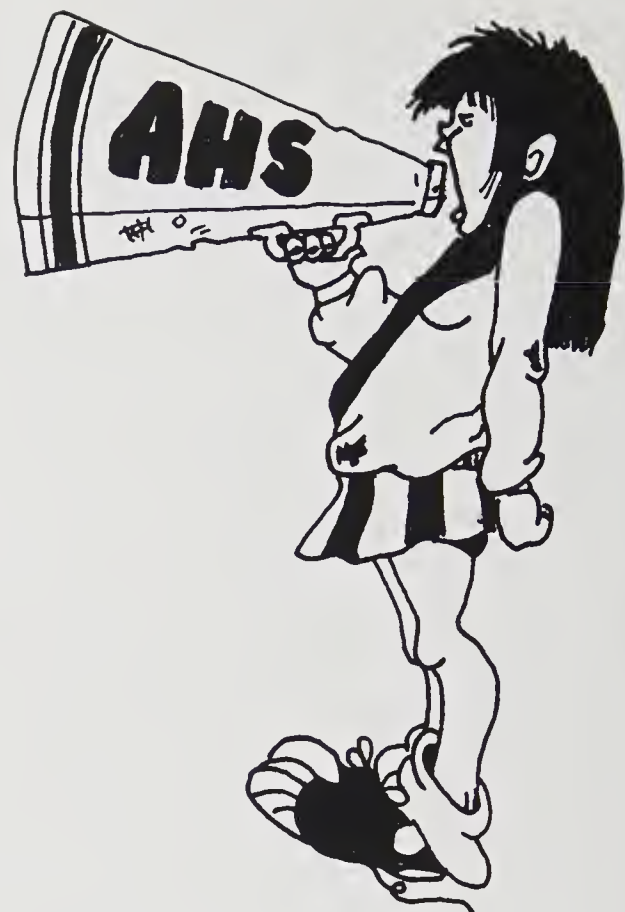

The 1977 football season proved to be the most exciting at A.H.S. since 1972, and the Football Rally cheered on the action. These energetic Junior and Senior girls kept the Fighting Fishermen Spirit going, even on the road trips, with rowdy rooter buses. Homecoming will long be remembered by the echoes of yells still haunting the gym . . . aftermath of the most roaring pep assembly ever. This rally squad stood by their team loyally, even to see through a victory caught by the purple and gold clad gridders during a Molalla monsoon. A favorite surprise the Rally would have for the

varsity team was a decorated locker room with goodies put in the ice box for halftime and after-game snacks. The girls also held a few fund-raisers to bring in contributions for the Cheerleader Fund. They had a bottle drive, and with the Pepsters, sponsored an after-game dance. The most important achievement for the Rally, of course, was "alot of fun". Wearing their new sweat-ers, the smiling Football Rally is pictured BELOW: Tracy Janssen, Terri Watson, Becky Turman, Darrylene Bergerson, Debbie Nelson, Londa Bergerson, Anne McAlpin, and Patti Hagert.

"GO
GET
'EM
HEY!"

WRESTLING RALLY

Two spirited girls made up this year's Wrestling Rally. They added spark to the matches and cheered their Fishermen grapplers to the final pin. Doing their best to generate pep for the mat sport, the cheering duo could be found every Wednesday at Spirit and Morale meetings, painting colorful posters to help gain fan support. Wearing the purple and gold, the girls also helped out at the Pep Assemblies leading yells for their Junior Class. Pictured ABOVE LEFT: Joan Collins (standing) and Tracy Janssen.

VARSITY RALLY

The Varsity Rally fired up the Fishermen fans for basketball season. Giving good support to the Varsity Basketball Team, these girls can also be credited with stimulating pep, spirit, and morale in the spectators as well. New cheers were introduced this year which the Rally members had learned last summer attending the ICF Cheerleader Workshop on the University of Oregon campus. The Astoria group was awarded with a second place ribbon for their enthusiasm. Enthusiasm hit the student body as the girls led the Pep Assemblies and the Rooter Buses. The girls were joined later in the season by Troy Haskell, who, with megaphone in hand, proved instrumental in rousing the game crowds. The Varsity Rally squad is Pictured LEFT: Anne McAlpin (front), Londa Bergerson, Troy Haskell, Darrylene Bergerson (center), and Debbie Nelson (top).

AHS "GIVE ME ONE BIG ASTORIA"

BELOW: This year's J.V. Rally went "3 and 3" enabling them to promote spirit at both the Junior Varsity and Sophomore games. The J.V. Rally members are Cathy Angberg, Carol Cruzan, Lisa Turner, (Alternate), Rae Benton, Sophia Anastasiadis, and Melinda Flues, (Head). One accomplishment made by the Frosh Rally was having new uniforms made, which they needed. They led cheers during the Freshmen Football season and also at both Frosh A and B Basketball games. This years Freshmen Rally consisted of: (BOTTOM ROW) Kari Warr, Lori Hill. (MIDDLE ROW) Lisa Smith, (Head), Julie Jackson, (Alternate), and Rhonda Schell. (TOP ROW) Stacey Olson.

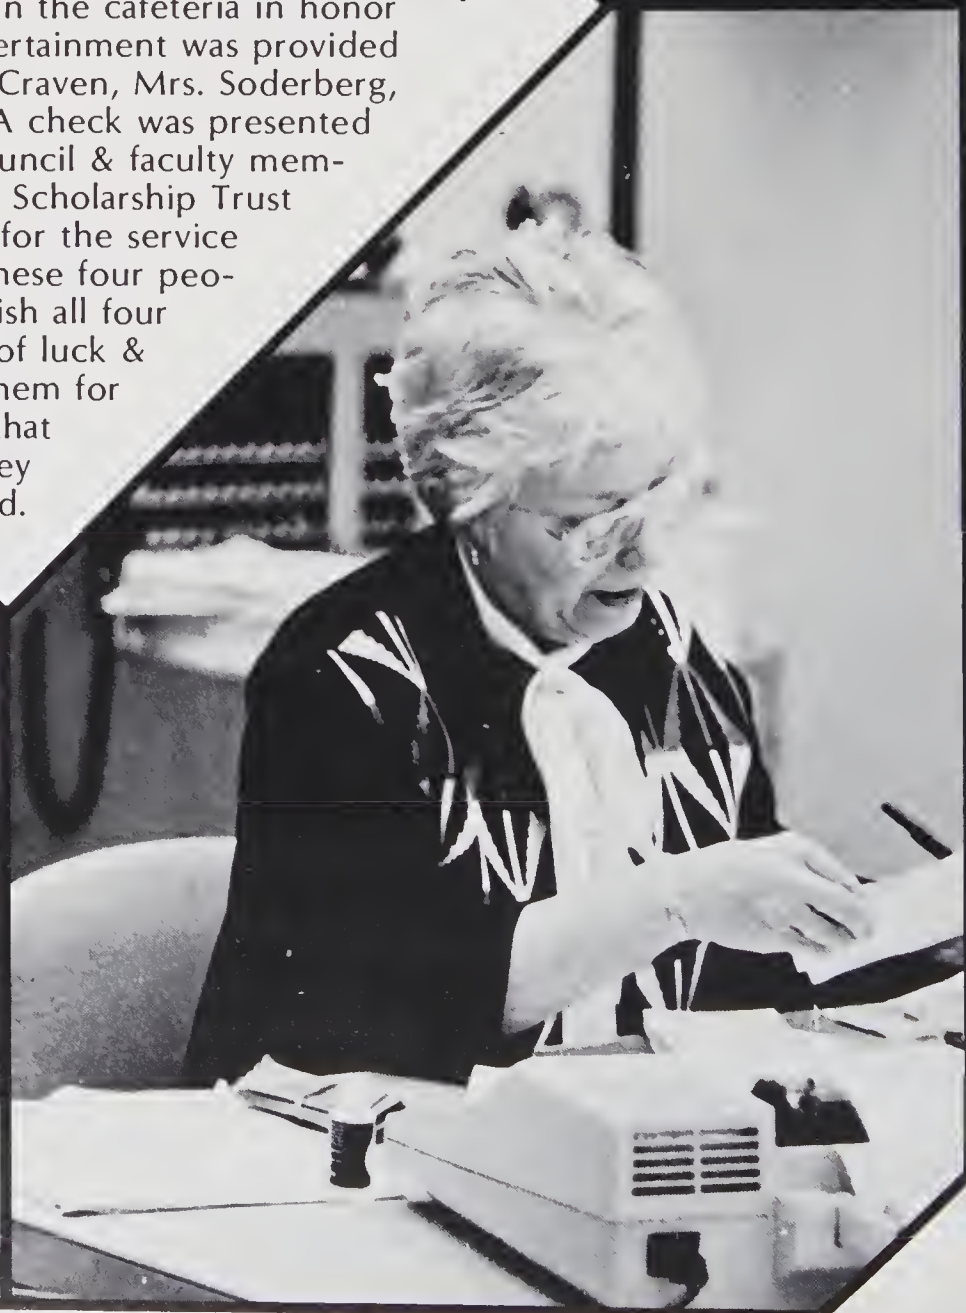

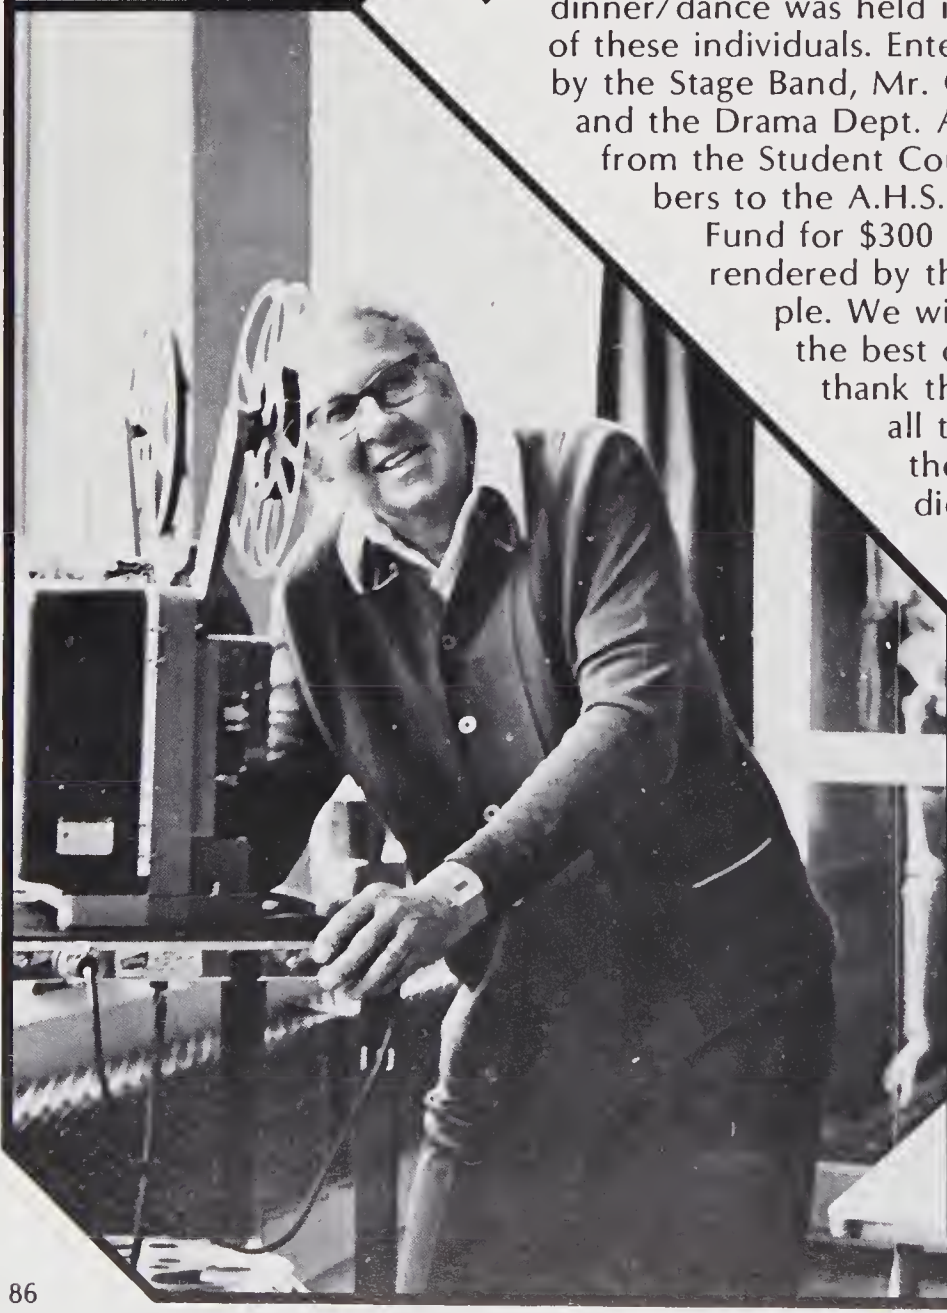

YOUNGER SQUADS PROMOTE SPIRIT

IT'S A PLEASURE TO KNOW YOU!

It has been a pleasure to know four AHS faculty members. After years of dedication at Astoria High, Mrs. Swanson, Mrs. Reuter, Mrs. Clarke, & Mr. McKay are retiring. Wednesday, May 24th, a gourmet dinner/dance was held in the cafeteria in honor of these individuals. Entertainment was provided by the Stage Band, Mr. Craven, Mrs. Soderberg, and the Drama Dept. A check was presented from the Student Council & faculty members to the A.H.S. Scholarship Trust Fund for \$300 for the service rendered by these four people. We wish all four the best of luck & thank them for all that they did.

SKI CLUB

Skiing is one of the fastest growing sports in the world. People of all ages in nearly every country where there is mountainous terrain, enjoy the unique appeal of skiing. In its simplest form, skiing is sliding down a snow-covered slope on a pair of long, slim runners called skis. ABOVE: The ultimate goal of A.H.S. skiers is grace and control under all terrain and snow conditions. Presiding over this year's ski club are officers Brent Lower, President; Alfie Larsen, Vice President; Linda Dreeszen, Secretary-Treasurer; Allen Starr and Robert Steinmann, Sargeant-at-Arms.

SYMPHONIC BAND

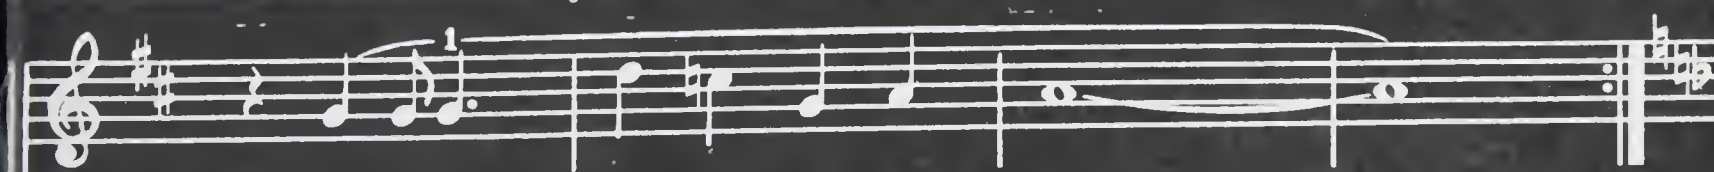

The Symphonic band 1977-78 was great! They had three concerts during the year, and had an exchange with the Walla Walla band. At the CVL band contest in Forest Grove, the band received a one minus. A-one is superior, so this is a very good mark. The members are: Mark Gohl, Grant Dodson, Kris Nyman, Melinda Shawa, Carol Cruzan, Kelly Mahnke, Denise Alvoen, Jennifer Collman, Martha Kuske, Sue Havner, Lisa Paavola, Marcia Chan, Ellen Dubois, Dana Gunderson, Sharon Cheong, Heidi Lammi, Lari Lovelle, Kathy Mestrich, Craig Johnson, Teddy Leong, Roberta Larson, Lori Anderson, Denise Sharp, Robert Kalendar, Lauri Rosendahl, Becky Baldwin, Linda Marxen, Nick Edwards, Randy Morrell, Irene Aiken, Joe Strandjord, Judy Goff, James Stanovich, Diane Ginn, Karen Cruzan, Fred Barnum, Todd Rieck, Dan Caton, Derek Gascoigne, Matt Bailey, Bruce Dubois, Jim Wirkkula, Paul Mattson, Roger Bingham, Tim Isom, Mike Hiatt, Gary Aho, Ed Beals, Jeff Scroup, Bill Scott, Mike Gray, Sandy Hilton, Rob Jasper, Tammy Westfall, Tracy Van Thiel, Mike Aho, Mandy Street, Tim Hilton, Tom Coryell, Jon Bue, Tom Leach, Eric Paulson, and Maria Edwards. THESPIANS

THESPIANS

The National Thespian Society have done many worthwhile projects the past school year. Ten actors and actresses viewed New York City during Christmas while a greater number participated in a trip to Ashland. They have had many fund raising projects to support these various activities. FISHERMEN START SLOW ALMOST GO. (TO STATE)

"Your" Fighting Fishermen baseball squad came within one play-off game of making state playoffs. This was quite a feat, considering the slow start they had because of rainy Astoria weather and the absence of state-bound basketball players from early practices. They finished with a 9-14 record overall, but came through with a 6-4 mark in league play, a record that earned them a spot in the league playoffs at Civic Stadium. Their showing this year should make us all proud of them. Pictured BELOW is this year's team. First row: Rick Dunn, Tapio Jaakola, Don Bryon, Ted Takko, Gary Mauro, Dana Goss, and Kurt Long. Second row: Coach Don Heuberger, Dan Jacobson, Brian Haglund, Kyle Johnson, Paul Hamby, Rob Sproul, Jeff Hano, Brent Lower, and Coach Jim Dickson. Pictured LEFT: Brian Haglund follows through after hitting one of his screaming line drives. Eyes of the catcher and umpire are focused on the speeding ball's flight.

JAYVEE'S CLOSE OUT RAINY SEASON WITH 2-8 RECORD

Under the leadership of a new coach, the Astoria J.V.'s came through a wet season with very close ball games and showed great teamwork throughout league play. TOP ROW: Stacy Ekelin, Cyndy Miller, Darrylene Bergerson, Cathy Anderson, Lisa Ohlmann, and Coach Karen Larson. The Girls really enjoyed playing and were glad to see this added into our sports program.

This year's golf team had a disappointing season as they finished fourth at districts. With four returning lettermen in Leinassar, Delphia, Everton, and Bugas, the golfers had hopes for making a good showing at state. However, the same four will return next year along with a new letterman, Howard Allen. If the golf team plays to their potential next year, they should be an awesome threat at the state tournament.

GIRL'S GOLF BLASTS DISTRICT FO

ES: HITS ROUGH AT STATE

This year's Girl's Golf Team had high hopes of holding on to that prestigious title of State Champions. They started off well with three new players after loosing two last year. The cold wet practices paid off with a 9-1 record. Traveling to districts the team shot a 358 (better than the team that won state) to capture the District Title. Astoria placed all 5 girls in the top 8 with three of four All-District places. At state, the girl's with a lot of pressure on themselves, placed 2nd after the first day and 4th overall. Even with this placing the girls and coach John Deeder had a great year. A lot of new friendships were made throughout the season and everyone got along well. "SUCCESSFUL YEAR"

Though they were few in number, the girls' track team proved to be a strong team. Coach Brown commented that there were no seniors on this year's team. This, however, would provide a better future for next year. Even though the girls had a tough season, several placed well at districts. The 440 relay team placed 5th, the best it has ever done in the history of Astoria High. Kam Johnson placed second at districts in the shotput and seventh in state competition. GOES TO COURT

TENNIS TEAM

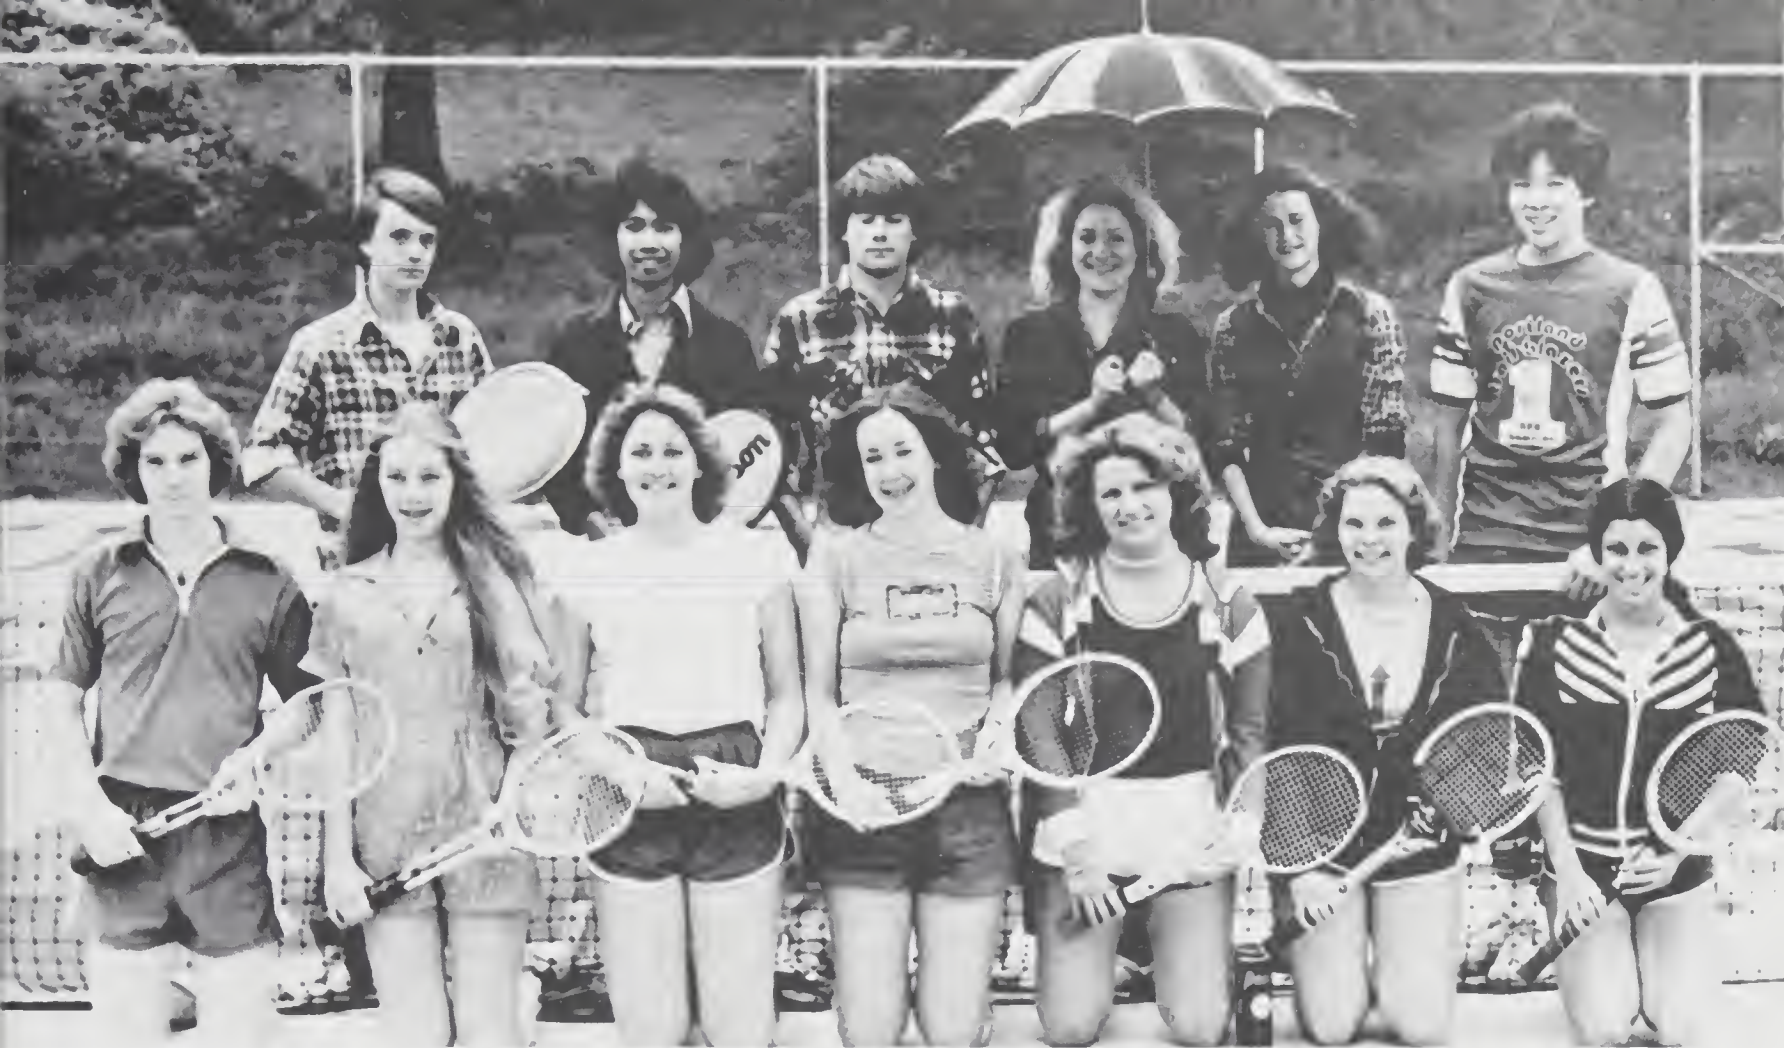

"When will it stop raining" was a familiar cry for the Tennis Club. It was touch and go; waiting for the sunshine to dry up the puddles on the court. The dynamic club never competed against any opponents due to their astonishing aces, bold backhands, and scenario smashes.

QUILL & SCROLL: JOURNALISTIC HONORS

NATIONAL HONOR SOCIETY INDUCTS 43

The Columbia Chapter of the National Honor Society was installed in Astoria High School on November 10, 1947 by the Salem Chapter. Its purpose is to impress a high regard for scholarship, leadership, character, and service in all high school students. Members are not only chosen for a high grade average, but they must serve the school, have a certain amount of leadership to get things done, and they must have a high standard of character.

The Astoria High School Drama Department's spring play, "The Miracle Worker," was a special production. Professionally presented, the three-act play was well-accepted by audiences. Both the costumes and set of the play were as close to the period of the late 1800's as possible. Local merchants bought advertisements to cover the cost of renting the costumes. Tee-shirts were bought and silk-screened for publicity. Production of the play started in March, making it one of the longest periods of preparation in the history of the drama department.

Helen Keller was played by Anne Marie Stull of the Middle School. She is a fifth grader, and this was her first experience in a full-length play. Annie, Helen's teacher, was played by Katy Shannon. Mr. and Mrs. Keller were played by Tim Hilton, and Judy Goff, respectively.

Astoria has changed over the years, and the merchants of Clatsop County have had a great influence over these advancements. We would like to thank all the businesses who have supported the Zephyrus this year by taking advertisements.

Their contributions help defer the costs of a yearbook to the individual student.

ABOVE: Built in 1884, Grace Episcopal Church has remained virtually unchanged, although an annex has been added. Opposite Page, ABOVE: St. Mary's Church looking out over Scow Bay in the early 1900's. Scow Bay, named for the cannery scows that moored there, covers what is now John Warren Field and the new Columbia Memorial Hospital. BELOW: Modern merchants at the foot of 12th Street, which was built on pilings.

 ZEPHYRUS 16A
 Ziegler, LeRoy 51

As the 1977-1978 year draws to an end, a growing amount of appreciation has developed throughout the final chapter of this year's Zephyrus staff. We have worked long and hard in order that this award-winning book of memories will be cherished by you throughout your remaining years. We owe a very special thanks to the City of Astoria, Mr. Dave Bowman and his photography students for their contributions pictured throughout the book, and Photographers Bill Lind, Art Chan, and Jim Bingham for the class photos and other requested material. But the greatest show of appreciation and thanks, most certainly, goes to the spectacular group of students known as this year's Zephyrus staff and including Miss Business Manager herself, Sheryl Dundas. Last but not least, we all owe our love and devotion to the man whom without, this book could not have been possible, Mr. Michael Foster.
